## **Supplemental Documents Required**

**Two (2) copies of Grading Plan** (Scale site plans to most appropriate scale, e.g.  $\frac{1}{4}''=1'$  or greater)

- Property lines, with dimensions
- Total area (in square feet) of the lot
- Adjacent streets and any easements
- Property address
- North arrow
- Distance between any buildings and between any buildings and property lines
- Existing and Finished Grade elevations in contour intervals of sufficient clarity to indicate the nature and extent of the work
- Area (in square feet) of any existing or proposed buildings, also showing the setbacks from proposed grading, excavation, or fill

### **Two (2) copies of Geotechnical Report**

Only when required by building official

- Nature and distribution of existing soils
- Conclusions and recommendations for grading procedures
- Soil design criteria for any structures or embankments required to accomplish the proposed grading
- Where necessary, slope stability studies, and recommendations and conclusions regarding site geology
